

Favor of God invites you to join us for a week focused on God's movement in northern Uganda. Come to one, two, or all of our four nights to hear different aspects of how God is restoring hearts and minds brutalized by 22 years of war, torture, and genocide.

Special guest speaker Carole Vezey Oteka, Founder of Favor of God, will be sharing what God has been doing throughout northern Uganda in the aftermath of one of Africa's most horrific wars and humanitarian crises.
